Pursuant to Federal Circuit Rules 26(b) and 27, and Federal Rules of Appellate Procedure 35(c) and 40(a)(1), Teles AG Informationstechnologien and Sigram Schindler Beteiligungsgesellschaft MBH (“SSBG”) move for a 21-day extension of time to file its petition for rehearing *en banc*. Good cause exists for extending the time, because SSBG needs additional time for preparing its petition because of the need to coordinate and work with a foreign client, who is participating in a conference of the Licensing Executive Society International in Moscow, Russia from May 16-18. In addition, Counsel is currently working with SSBG to prepare a Petition for Writ of Certiorari to the Supreme Court for the companion cases 12-1513,-1514, which is due on May 22, 2014.

The date to be extended is May 19, 2014 (which is the current due date). The revised date sought is June 9, 2014. The number of days of extension sought by this motion is 21 days. The total number of days previously granted to movant for this petition is 0 days.

Counsel for the USPTO, Ms. Nelson, has indicated that the USPTO does not oppose a 21-day extension.

Respectfully submitted,

Dated: May 9, 2014
